BUDGET MESSAGE Fiscal Year 2021-2022

To the members of the Board, the Budget Committee and the citizens of the Hoodland Fire District #74, the recommended annual budget for the fiscal year beginning July 1, 2021 and ending June 30, 2022 is presented as required by ORS 294.426 for your consideration.

You, as the Budget Committee have the right to make changes to any section of this proposed document before you approve it. The Board of Directors cannot vary any appropriations by more than 10% in any fund without the entire Budget Committees approval.

This has again been a challenging year when it comes to developing and adopting an operating budget for the fire district, but I am encouraged by the efforts of the board and staff. The budget for FY 2020-21 made several significant cuts to district services in order to prepare a balanced budget. At the time, it was noted that these cuts were necessary, but not sustainable. I am encouraged that we have been able to reverse some of these cuts while also increasing our reserves slightly. As before, rising personnel costs and saving for future needs remain the district's biggest concerns. Options and strategies to address these concerns will need to be the focus of future work sessions, but for now I am pleased to present this year's budget, balanced and in my opinion moving in the right direction.

The FY 2021-22 budget includes several projects including:

- Grant funds for two new firefighters through the SAFER ACT.
- Grant funds and our match for planned SCBA replacement.
- Funds for replacement of living quarters for career and volunteer staff residing at station 351.
- Funds for the replacement of the generator at station 351.
- \$10,000 for assistance with community firewise efforts.
- An increase in the general fund's unappropriated ending balance from \$980,000 to \$1,000,000 and Disaster/Contingency from \$200,000 to \$250,000.

The District's staff has worked very hard this year to present a budget that will meet the service needs of the District's taxpayers, while keeping overall costs down. While this budget is significantly higher than last years, it includes several large projects and reflects the expenditure of a significant amount of grant funds. The proposed budget for the Hoodland Fire District for FY 2021-22 is balanced at \$6,667,477. This is an increase from last year's budget of \$888,573 which is made up primarily of:

- Potential grant awards of \$637,778; possible award of a SAFER grant for two new firefighters, an AFG Grant for new SCBA and grants for WUI and wildland preparedness and fire equipment.
- \$63,632 in transfers to reserve, UEFB and Disaster contingency
- Anticipated increase of 3% in Property tax revenue.

The Fire District uses four funds to track resources and expenditures: The General Fund, Apparatus Reserve Fund, Fire Equipment Reserve Fund and Building Reserve Fund. Additionally, the district has a local option levy to support operations.

GENERAL FUND

The General Fund is used to record financial transactions of the Fire District as it relates to providing emergency medical service, fire suppression, fire prevention and administration of the Fire District. Tax revenues, cash carryforward, Local Option taxes and grant awards are the main sources of revenue for this fund. The General Fund makes up approximately 77% of the total budget at \$5,119,049.

Personnel Services make up the largest portion of the General Fund at approximately 52% and includes wages and benefits for the District's full-time employees and Volunteers. Materials and Services, Contingency, UEFB and transfers to reserves make up the other 48% of the General Fund.

LOCAL OPTION LEVY

The tax revenue received from a local option levy must be utilized only for the purpose for which it was approved in the ballot measure. The current five-year Local Option Levy was established to ensure 24 hour response by career firefighter/paramedics and Chief Officers and to assist the community with Firewise activities and was approved beginning the FY 2019-20.

The Local Option Levy Fund makes up 5% of the general fund budget at \$267,370. For Fiscal Year 2021-22, the General Fund is budgeted to receive 100% of these funds.

CAPITAL RESERVE FUNDS

The Capital Reserve Funds are a type of special fund that is used to save for (reserve) and record resources and expenditures needed to finance the building or acquisition of capital projects that are nonrecurring major expenditure items.

Resources can include the proceeds of General Obligation Bonds, Local Option Taxes, Grants and/or other revenues to include transfers authorized for financing capital projects. The district currently has three capital reserve funds, Building, Apparatus and Fire Equipment. Current capital or maintenance items included in this year's budget include:

- Applied for a Fire Act grant for the replacement of the district's SCBA.
- Budgeted funds for the replacement of living quarters for staff at station 351.
- Budgeted for the replacement of the generator at station 351.
- Transferred \$53,632 into apparatus and fire equipment reserves for future needs.

The three Capital Funds make up the remaining 23% of the total budget at \$1,548,428.

In conclusion, this proposed budget meets all federal and state mandates as well as local obligations. We believe this budget will not only allow the District to maintain its current level of service for the fiscal year 2021-2022 but enhance it. The revenue projections used to develop this budget are conservative to assure that revenue expectations are met, while the expenditures are based upon current actual expenditures and projections.

I would like to publicly thank the entire staff for their help in preparing this budget; it was a team effort with input by all members of the District and special thanks to the members of the Budget Committee for their time and effort in considering this budget.

This budget does not require a vote of the people and therefore, your action alone will approve or disapprove this document.

Respectfully submitted,

James Price
Fire Chief/Budget Officer

PERSONNEL REQUIREMENTS:

- 1 Fire Chief
- 2 Division Chief's
- 1 Financial Manager
- 1 Administrative Assistant
- 6/8 Fire Protection Specialists
 - 3 3 Paid Lieutenants
 - 5 3 Fire Fighters, 2 SAFER Fire Fighters (if Grant is received)

Included in this package are the costs required to employ the career personnel and operate the administrative function of the Fire District. Personnel costs are based on the current collective bargaining agreements and personal services contracts with administrative personnel.

The administrative assistant position continues to work 30 hours a week as needed to assist the administrative staff and in maintaining the NFIRS, EMS and training database records and other front office needs.

GOALS:

1. Provide appropriate and adequate staffing.
2. Provide leadership, administration, supervision, and accounting services.
3. Provide support services for District personnel and functions.

LINES 001 thru 005 WAGES AND SALARY \$1,188,610

The services of the Fire Chief, Division Chief's, Financial Manager, Administrative Assistant and six or eight full time fire protection specialists must be able to provide at least the same level of services as in years past. The workload carried by all employees continues to increase as the volunteer population decreases. The Administrative Assistant position helps maintain the high level of fire protection service to the community. Five of the six/eight staff have reached or will reach the top step salary we have three years for growth in firefighter salaries.

1.	Tier 1 and 2	\$288,618	
2.	OPSRP	\$759,050	
3.	OPSRP SAFER	\$140,942	Grant Dependent

This is an increase of \$61,612 from the 20-21 Budget

LINE 006 ACCOUNTABLE EXPENSES AND NOMINAL FEES \$55,600

Nominal fees for volunteers for training; attending classes and for going on calls. This is our third year of the resident program, we discontinued the student program.

1.	Volunteer Nominal Fees	\$30,000	
2.	Residential Program, Govy	\$19,200	
3.	Duty Officer Shifts	\$18,400	
4.	Shift Stipend	\$ 5,000	

This is an increase of \$17,000 from the 20-21 Budget

LINE 007 OVERTIME \$340,000

Pay for work over and above the regular work schedule. With the successful change to 24 hour coverage the dynamics of overtime has changed.

1.	Tier 1 and 2	\$ 60,000	
2.	OPSRP	\$240,000	
3.	OPSRP SAFER	\$ 40,000	Grant Dependent

This is an increase of \$62,559 from the 20-21 Budget.

LINE 008 EMPLOYEE FRINGE BENEFITS \$1,055,256

This category represents the fringe benefit and employer costs for the fire district, paid and support staff. Some of these are mandatory federal, state and local mandated taxes and fees, others are employee benefits that have been arrived at through the collective bargaining agreement. Our PERS costs are 35.25% for Tier 1 & 2 employees and 30.06% for OPSRP employees. Our health insurance costs increased 3% this year to a higher out of pocket plan and an HRA program to help with the offset of costs to the employees.

ADMINISTRATIVE & GENERAL FUND TRANSFERS

These accounts are gathered within this budget package for the purpose of clarifying and explaining their function. These funds are to be set aside for special purpose categories. They consist of the following:

RESERVE FUNDS

Currently there are three Reserve Funds, they are: Apparatus, Building and Firefighting Equipment, Services and Supplies Reserve Funds. They each function as savings accounts for future capital equipment purchases such as:

Apparatus Reserve Fund – Hoodland Fire is not purchasing any new apparatus this year. Because of the high cost of apparatus this reserve fund remains as one of the fire district's most important priorities.

Building Reserve Fund - This money is set aside for building projects and facility improvement needs. These funds are reserved for future building construction projects.

Firefighting Equipment Services and Supplies Reserve Fund – This reserve fund is created to save funds to purchase expensive, non-disposable equipment, services and supplies that are difficult to fund within the annual budget. It includes hose, communications equipment and services, SCBA equipment and EMS equipment.

Disaster Fund Operating Contingency:

State budget law provides a means to provide an "emergency" or "rainy-day" fund to protect local governmental agencies. An amount approximately equal to 8.86% of taxes received or 4.88% of the overall budget is being set aside for these unforeseen events. This money is placed for use during the year for unexpected operating situations. Some examples would be a natural or manmade disaster or an unexpected major mechanical failure of equipment or facilities that insurance will not cover.

Un-appropriated Ending Fund Balance:

This money set aside to provide cash flow for the first five months of the forthcoming fiscal year. An amount approximately equal to 35.44% of taxes received or 19.53% of the overall budget is being set aside. Little tax revenue becomes available from Clackamas County until November each year, so in order to meet payroll, and continue operations, money is carried over each year, but is then replaced later in the year to maintain a balance for the subsequent year. This money may also be used during the year for disaster emergencies (ORS 294.455).
